# AKC National Owner-Handled Series

(Remember to check the box near the bottom of the entry form)

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form.

Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers\*, household members and current assistants\*\* to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

<https://www.akc.org/sports/conformation/national-owner-handled-series/>

*\*Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

*\*\*A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend. Current assistants that are eligible to compete in Junior Showmanship (meet age & amateur status requirements) may participate in NOHS.*

#### 12800. RETRIEVERS (GOLDEN)

THE GARDEN STATE GOLDEN RETRIEVER CLUB WILL SUPPORT THE ENTRY OF GOLDEN RETRIEVERS AT THIS SHOW.

#### ALL SWEEPSTAKES CLASSES INCLUDING VETERANS & BEST IN SWEEPSTAKES

**HANDLER:** The handler of a Puppy or Veteran Sweepstakes exhibit must be either the owner, co-owner, breeder or member of their immediate family as they are listed on file with the American Kennel Club as of the closing date for the show for which the Sweepstakes entry is being made. Immediate family is defined as husband, wife, mother, father, brother, sister, son, daughter or legal domestic partner. Step children and legal wards are also included in this definition. In-laws and grandchildren are not considered to be immediate family members. No other individual may take the entry into the ring during judging or check-in. The following individuals are excluded from showing an exhibit in Sweepstakes unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner:

- Any individual listed as an agent on any dog in any regular or non-regular class at this or any other show in the previous two years.
- Any individual with an Agent number including, but not limited to an AKC Registered Handler Number or Professional Handlers Association (PHA) number.

To avoid confusion or question, it is recommended that a photocopy of the registration certificate be included with the entry for a co-owned exhibit.

Disabled or physically challenged handlers are encouraged to show their own dogs and every effort will be made to accommodate them. Some things which might be done to assist them are: making sure the ring gate opening is wide enough for a wheelchair; making sure the surface is as level and smooth as possible; placing slower handlers at the end of the line or having them gait their dogs together; allowing someone else to push an exhibitor's wheelchair, providing they do not handle the dog; making sure stewards and judges face a handler who is hearing impaired when speaking to them; permitting the use of crutches or canes.

**Best in Sweepstakes Classes.** It is required that the same person who showed the dog to a first place in a Sweepstakes class will also show the dog in the Best in Sweepstakes class. However, if that person should have more than one dog in the Best in Sweepstakes class, someone else is permitted to show the additional winner. That person should meet the handler definitions above. Only in cases where there is not another owner, co-owner, breeder or immediate family member available, should another person take the dog into the Best in Sweepstakes class. It is understood that there would be no financial benefit to that individual. Individuals who have and AKC Handler number, a PHA number or are listed as agent on any dog in the Regular or Non-Regular Classes may not show a Sweepstakes Entrant unless they are the sole owner registered with the AKC or co-own the entry with a member of their immediate family (as defined above) or a legal domestic partner.
